Jesus taught his disciples how important Unity is; he said, “A kingdom divided will not stand.” God wants us, his children to work together for the Kingdom of GOD. Our theme at Project New Start is, “Together We Can.” Together we can change lives, make a difference in our community, and teach our neighbor the Biblical principles of the Bible. The devil is the accuser of the Brethren and he works hard to divide us. He works very hard to damage our integrity and to make people doubt our sincerity. Although we must not give into his schemes and plans of dividing us. We must work together and remain loyal to the statues and commandments of the LORD. Thank you to all our sponsors for partnering with us, together we are changing lives.

Behold, how good and how pleasant it is for brethren to dwell together in Unity. Unity is the state of being United or joined as a whole. Unity is harmony and agreement between people or groups. The Bible states that a house divided cannot stand, whether it be a business, a home, a church, or a marriage. Unity is that important. It is because of Unity that New Life Children's Home exist. It is because of partners and those who work together that make New Life Children's Home possible. One person can make a difference and together we can make a greater difference. Everyone at New Life Children's Home thanks you all. All of the children there also thank you for making a difference in their lives.
