

ARE YOU READY WHEN HE COMES?

"No one knows about that day or hour, not even the angels in heaven, nor the Son, but only the Father. As it was in the days of Noah, so it will be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark; and they knew nothing about what would happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man.

When we was young kids playing hide and go seek, we would say, “Ready or not here I come.” We would warn the people we were coming to find them. The Lord has warned us in his Word that He is coming back. Therefore his coming should not catch us unaware. The world says, “He is not coming and that we should not pay any attention to the Bible, because God loves us too much to do us wrong.” God does love us, but we will all face the judgment of God; where we must give an account of our life. Those who accepted God’s mercy and grace and followed His Word will reap eternal life, but those who rejected God’s grace and mercy and refused to obey God’s Word will reap eternal damnation. So today get yourself ready for the coming of the Lord!

SARAH’S TESTIMONY

My name is Sarah. The day my daughter told me that she was not a kid anymore and that she knew what I was doing and asked me not to lie was when I knew I had hit rock bottom. I was addicted to cocaine and it took everything from me. In May 2012 I knew that I needed help and I entered Project New Start. Since then I have gained my life back with my kids and I have a wonderful feeling of content. I am happy and have a peace inside. I believe that I have been positioned to do the job I now have at Project New Start . Without going through these trials I would not know how to help. I thank God for taking my bad and using it for his good.

RONNIE’S TESTIMONY

My name is Ronnie Ellis and I was in bondage to meth for 30 years. Just like the demoniac in Mark chapter 5; no one could bind him not even shackles or chains, except mine was handcuffs and bars. I somehow always found a way to get away or bond out. You have to realize not only was I a meth addict but I was also a liar, thief, drunkard, and I lived sexually immoral. If you could name it you could say I was guilty of it. Then on July 15, 2009, in jail looking at life behind bars I cried out to God like I had done many times before, although this time it was different. This time Jesus came into my heart. I was allowed to come into Project New Start on October 26, 2009 and God through Jesus Christ and Project New Start has given me back my life, family, and all the good things that Satan through meth had stole from me. I thank God and Project New Start for believing in me and giving me this opportunity.

Summer is here, school is out, and all of the kids are home. We have to admit, the first day out of school was a little bit noisy and a lot different for those of us around the office. The children had so much fun playing outdoors, getting in the water and going down the slip and slide. Seeing the smiles and hearing the laughter from these children was so much fun that first day home. For many of the children here; they have not known the care free life that many of our children know. We want to make this a great summer. We are planning activities such as a trip to Blanchard Springs Caverns, swimming, fishing, hiking and of course church camp which is right around the corner. If you would like to be a part of supporting any of our trips or even simply being a volunteer please contact someone at our office.

Thank you and God bless you for making a difference.!
