HAPPY THANKSGIVING

What shall I render unto the LORD for all his benefits toward me?

Psalm 116:12 (KJV)

Thank you God for your Blessings on me. How could I repay the LORD for all he has done for me. God loves me and because he loves me he is working to make me a better person.

Romans 8:28 (NIV) says; "And we know that in all good things God works for the good of those who love him, who have been called according to his purpose." So during the month of November, let us remember how good the LORD has been to us, and in return reach back and help someone else.

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.

Thanksgiving is soon approaching and as we enter into this holiday season let us remember those less fortunate and not take for granted the many blessings in our lives. We at NLCH want to make this a special day for all the children. While we are gathered with our families, many of these children will be without theirs. We are their temporary family while they are here. Your support makes it possible for us to care for them. We are so thankful to everyone that is a part of bringing hope and restoration to everyone at NLCH. Your giving, prayers, and sponsorship are making a huge difference.

Before I came here I didn't go to school, didn't care about my future or anyone. Now I attend Cedar Ridge School am on the basketball team and have good grades. I am so thankful for the things God has done for me
(Martha)

Before I came to New Life Children's Home I had been tossed around in different places. Each place put me on a different medicine. I was on so many different medicines I could not function like a normal boy my age. Some of their side effects caused me to wiggle all the time. The doctors all said this would be something I would have my whole life, but God healed me from that and now I don't wiggle and can do things I couldn't do before.
