Bringing Back To Life Something That Is Declining

# Revival!

In order to need Revival, something has to be dead or declining. Revival is much more than a set of preplanned meetings. True Revival is the hand of God bringing restoration and hope to a broken society. Real Revival changes people's lives. Real Revival will cause people to quit drinking alcohol. Real Revival is where children are reunited with moms and dads, who have quit using drugs. Real Revival will push the drugs out of our neighborhoods. Real Revival will bring the lost to Jesus. We need a true, real Revival in America today. Any Revival that does not raise moral standards of our communities, is not a Revival from God.

A.W. Tozer

**"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." 2 Chronicles 7:14 NKJ**

God send us revival today!

My name is Aaron, I spent most of my adult life in jail, rehab, or prison. I was full of hatred and anger, life really didn't make any sense to me. I did not even love my own family. It was not until I was sent to Project New Start that my life began to change. The Preachers and Teachers kept telling me about a love that God had for me. They explained what Jesus had done for me, the price that he paid for me. Jesus was exactly what I was looking for. John 3:3 says "that a man must be born again." The day I accepted Jesus Christ was the first day of my life. I now have a love that I have never had before. Matthew 16:24 tells us "we must pick up our cross, and daily follow him." It is now my Christian duty to take this same Gospel message that saved a hard headed guy like me to the jails, the streets, and wherever there might be someone who is just as lost as I once was.

My name is Wendell, I am 31 years old. Growing up I had a really good life. My parents got a divorce when I was young and I ended up staying with my grandparents mostly, but I still spent time with my parents too. By living with my grandparents I ended up doing pretty much what I wanted to do. I ended up dropping out of school in the 9th grade and married shortly after that with my first child on the way. I started drinking and smoking weed and it didn't take long before I started doing meth. Life became one big struggle for me after that. I couldn't hold a job, ended up divorced, and found myself in jail. That's when I hit my knees and cried out to God. Shortly after that I was accepted into Project New Start where I was able to strengthen my relationship with him. When I got here I could feel the presence of God so strongly that I knew that I was exactly where I needed to be. After I graduated I was offered a job here, which I accepted. I thank God every day for the relationships that he has mended with my families and the opportunity he has given to me to be able to help other's just like me.

## TRANSFORMED LIFE

My name is Taylor, I arrived at New Life Children's Home on January 22, 2014. I am seventeen years old. When I got here I had just a few belongings and that was it. I had come from an abusive home where no one really cared much about me or what I was doing. I had gotten on drugs real bad and I had planned on quitting school and getting my GED. When I arrived here I had a really bad attitude towards everyone.

SINCE THEN REVIVAL AND TRANSFORMATION CAME FROM GOD

I am now a senior in High School, working on staying on the honor roll. I plan on going to college after graduation and would like to pursue a career in Marine Biology. I have a job and I am saving money to meet my goals in life. I am an active member in my youth group. I have learned about the love God has for me and how to share it with others. I have been transformed into the image of the Son; this comes only from the Spirit of the Lord.

**"Therefore, if anyone is in Christ, he is a new creation: old things have passed away; behold, all things have become new." 2 Corinthians 5:17 NKJ**

Here at New Life Children's Home we are very proud of the transformation Taylor has made in her life. We would like to be able to help her continue to reach her goals. One of the things Taylor will be needing will be a car, she has been saving money to buy one; but could use some help. If you would like to help her obtain this goal please feel free to contact us at the numbers listed above. Thank You for all of your support. Without you we would not be able to make such a difference in these children's lives.
