The Promise Land Mentality

The Bible says in Proverbs 18:21 "Death and Life are in the power of the tongue: and they that love it shall eat the fruit thereof." A positive life comes from a positive attitude. A positive attitude comes from believing what God says about you. Whose voice do you believe? John 10:10 says "The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly." The enemy has a plan for your life, he wants you living in the desert. A dry and barren place. God also has a plan for your life, a land flowing with milk and honey! I am convinced that life is 10% of what happens to me and 90% of how I react to it. So when life hands you lemons, make lemonade. "I will give you every place where you set your foot, as I promised Moses. Your territory will extend from the desert to Lebanon, and from the great river, the Euphrates—all the Hittite country - to the Great Sea on the west. No one will be able to stand up against you all the days of your life. As I was with Moses, so I will be with you; I will never leave you nor forsake you. Be strong and courageous, because you will lead these people to inherit the land I swore to their forefathers to give them. Be strong and very courageous. Be careful to obey all the law my servant Moses gave you; do not turn from it to the right or to the left, that you may be successful wherever you go. Do not let this Book of the Law depart from your mouth; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful. Have I not commanded you? Be Strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1:3-9

Guess what! It is SUMMER, and school is out! All the children are home with their mothers. What a gift it is to be able to be with your kids and be sober. Train up a child in the way he should go: and when he is old, he will not depart from it. Proverbs 22:6

Jessica's Testimony

My name is Jessica Zomant. I am 34 years old. I have 2 children: a 13 year old son and 10 year old daughter. I had been using meth since 2012. As a single mother, I lived in a dark world trying to do everything all on my own. I finally figured out that the rate I was going was not working for me. I was in and out of jail and facing 30 years in prison. I was still doing things my way, but God had other plans. So on January 11, 2022, I decided to come to Living Water. Now I know it was the best decision I had ever made. Since then, I've got a relationship with God. He took me out of the dark world I was in and brought me to life. This program has helped me and my daughter, Kinzlee in so many ways. God is working daily in my life, showing me miracles that I know I don't deserve. I am so grateful to be here and to have my daughter here as well. Thank you Project New Start for giving us a chance at a new life in the light, and allowing me to be still for our God!

Kinzlee's Testimony

Hi, my name is Kinzlee Barnhill. I am 10 years old. I have one sibling named Cade Barnhill, and he is 13. My mom has been in addiction since I was a baby. Our family was very broken before we came to Project New Start, but I have seen a big change in my mom and me. I know that the program is working. We now follow the Lord and we are closer to our family. Most importantly, I have my mom back!

Johnathan's Testimony

I'm going to start off by saying that I am so thankful that everything has happened to me the way it did because I wouldn't be here now if it didn't. I left the pen August of last year, and I did good for a little while—but I ended up falling off and went right back to the dope game. I have spent so much of my life in drugs or prison that I have neglected everything else! I lost my faith, family, and friends. I got arrested this past January, and I was so glad that I was going to jail and that I would be able to rest that I started to cry. The cop asked me what was wrong, and I told him that I was happy because I had been in a bad place in life and needed a way out, and jail was it. When I got out of jail, I called Project New Start and got in that week. Since I have been here, God has restored my faith, family, and friends! I have been here going on about four months, and I have a job that will be full-time when I graduate. I also have a new outlook on life and all the things in it. I want to be the best man that I can be for my family and my life partner when the time is right. I want to do all things the way God wants me to. For the first time in years, I can finally say that I love myself and my life again. I want to thank everybody who has had a part in helping me grow and realize that there is a better life without the drugs and stuff that I was doing.

What shall we then say to these things? If God be for us, who can be against us - Romans 8:31

Addison's Testimony

I found out that I was pregnant while in county jail, and I knew then that I had to change my life and start living for the Lord instead of my own selfish desires. I waited for a court date for two and a half months after my acceptance to Project New Start, and every night I prayed that I would be able to come to the Esther House, and that this program would help me strengthen my relationship with God and get my life back on track so that I could be the Godly mother that my child deserves. Now, about four months into my stay at PNS, I can safely say that this program has given me the tools that I had been needing to walk closer to God. I used drugs to try and fill the emptiness inside of me, while all along the missing piece that I needed was Jesus. I have finally found peace and contentment that I know is only because of my comforter, Jesus Christ. I am now happily engaged to my baby's father, and we are getting married this month. I am putting my life back together one day at a time. I'm very thankful for God's unending love and mercy, as well as for the staff at PNS and all the wonderful things that they pour into us daily.

Then Jesus told them this parable: "Suppose one of you has a hundred sheep and loses one of them. Doesn't he leave the ninety-nine in the open country and go after the lost sheep until he finds it? And when he finds it, he joyfully puts it on his shoulders and goes home. Then he calls his friends and neighbors together and says, 'Rejoice with me; I have found my lost sheep.' I tell you that in the same way there will be more rejoicing in heaven over one sinner who repents than over ninety-nine righteous persons who do not need to repent." Luke 15:3-7
