LISTEN TO GOD'S WORD

"This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters. If anyone has material possessions and sees a brother or sister in need but has no pity on them, how can the love of God be in that person? Dear children, let us not love with words or speech but with actions and in truth. This is how we know that we belong to the truth and how we set our hearts at rest in his presence:"

1 John 3:16-19

God's Word says we must do more than be a member of a church. The Bible says "*what is in a man will come to surface.*" If God's love is living in you, then you will show compassion to those who are struggling in life. Prayers are good, but sometimes people need more than your prayers. Our ministries are devoted to helping people who have fallen through the cracks of life and teach them to believe that all things are possible with God.

Kayla Unbehagen's Testimony

My name is Kayla, and I was born and raised in Memphis, TN. I have been using meth on and off for the past 5 years. I started struggling with depression after losing my grandmother in 2018. June of 2021, my fiancé and I were arrested in front of two of our sons for possession. I was so sure I was about to lose my whole world. Before coming to PNS, I was working and living in a hotel with my fiancé and 3 kids. For 3 weeks, our kids watched their father (my fiancé), run from the cops until the day came that they watched him get arrested. Our car got stolen, and I felt like I was losing everything. I have been at PNS for 5 months now, and I have never felt more at home and free than I do here. I have all 3 of my boys here with me, and in just a week and a half I will have a baby girl. Thank you PNS staff for opening my eyes to what has always been right in front of me, but mostly thank you to my mom for never giving up on me. She has always been my saving grace. Now I look forward to what God has planned for my family.

Donovan and Kayden's Testimony

Our mom has gotten so much better since we have been here at Living Water. She is a better mom now all because of this program. We are very glad to be here with mom, and we are ready to see what God has next for our family. Thanks PNS for accepting us.

We are having a great summer at Living Water! Thank you to all of our sponsors and supporters. Being able to recover from addiction and be present with their children means so much to the mothers at Living Water, and we couldn't make this possible without you!
